**Most Vulnerable Host \***

**Vulnerability Distribution**

# History

## Vulnerable Host History

## Vulnerability Severity History

**Discovered Host History**

---

**TLP:AMBER** = Limited disclosure, restricted to participants' organizations. Sources may use TLP:AMBER when information requires support to be effectively acted upon, yet carries risks to privacy, reputation, or operations if shared outside of the organizations involved. Recipients may only share TLP:AMBER information with members of their own organization, and with clients or customers who need to know the information to protect themselves or prevent further harm. **Sources are at liberty to specify additional intended limits of the sharing: these must be adhered to.**
